# Agenda 03 July 2026

**Moderation:** **David Görzig,** Research Coordinator at ARENA2036 and
**Michael Hahn,** Managing Director Value Creation & Technology Catena-X e.V.

**09:00 AM** — **Tech Talk** — **Next-Gen Data Space Tech: What Every Tractus-X Developer Should Know Now** — **Julia Pampus, Fraunhofer ISST; Thomas Obermeyer, Catena-X e.V.**

**Stream #2- Workshops / Tutorials**

**09:30 AM - 11:30 AM**

**Choice of different parallel Workshops**

**EDC Tutorial / Dataspace Connectivity**

Identity hub & Virtual EDC

**Stephan Bauer**

Plattform Domain Manager | Manager for Network Services Catena-X Automotive Network e.V.

**Mikel Garcia Bartolome**

Dataspace Consultant LKS Next- Spain

**ARENA2036-X E2E Data Exchange**

**David Görzig**

ARENA2036 Construct-X

**Muhammad Saud Khan**

ARENA2036 Construct-X

**Devaji Patil**

ARENA2036 Construct-X

**Bahaa Ziadah**

ARENA2036

**Build your own dataplane**

No Hype, Just Apps: Build your own Dataplane

**Thomas Obermayer**

Lead Dataspace Architect, Catena-X

**Ronja Quensel**

Fraunhofer ISST

**TC4M Modelling and DPP**

Joint Activity on Battery Pass + Models

**Niko D'Agostino**

Programme Director, Circulor

**Johann Schütz**

Principal Expert Global Standardization, Catena-X

**Manufacturing-X End-to-End Security in Dataspace**

Cybersecurity Business & Architecture view to increase impact & adoption (Co-Think).

**Haris Avgustinos**

Semiconductor-X, M-X TG End2End Security

**Pascal Birnstill**

Senior Scientist Industrielle Cybersicherheit Fraunhofer IOSB

**DPP & Industry Core Hub**

**Carlos Diez Rodriguez**

Dataspace Consultant LKS Next - Spain

**Joseba Alvaro Hernandez**

Dataspace Consultant LKS Next - Spain

**11:30 AM** — **COFFEE BREAK**

**11:45 AM** — **Challenges present Results and Learnings per Work Group**

**12:15 PM** — **WRAP-UP AND CLOSING** — **12:30 PM**
